

UBC DYNAMIC PLUS

Refurbished 625Lts

Fully refurbished cooler (originally manufactured in 12/2017), in excellent condition, with appearance and performance comparable to a brand-new unit.

Professional beverage cooler featuring a full-height glass door extending to the bottom of the cabinet, providing outstanding product presentation and maximum visibility. An ideal solution for HoReCa businesses, mini markets, convenience stores, and high-traffic retail locations.

Designed for high performance, low energy consumption, and easy day-to-day operation, it helps increase impulse sales through excellent product visibility and presentation.

A key advantage of this model is its reversible door, allowing the opening direction to be changed according to the installation requirements and available space.
