

CB1150 HD Prime Line

Prime Line 890lt

Professional **Prime Line** beverage cooler, designed for businesses that require elegance, high performance, and impressive product presentation - all at an unbeatable value. Equipped with **double full-glass hinged doors (Tempered Safety Glass)** extending down to the bottom, with aluminum door frames, offering maximum product visibility, durability, and outstanding product presentation.

The special insulated **Low-E (Low Emissivity)** glass helps reduce energy consumption while maintaining a stable internal temperature.

Its modern design combined with perimeter LED lighting creates a premium visual effect, making it ideal for cafés, mini markets, HoReCa businesses, and high-end retail environments.

- Side and top LED lighting with 3 selectable colors (**White, Blue, and Warm Yellow**)
- Low noise operation
- Ideal for premium commercial environments with high aesthetic requirements
