

CF300G 1m FREEZER

1m Static Chest Freezer with 2 Sliding Glass Lids

Professional **1-meter static chest freezer**, designed for excellent frozen product presentation and high energy efficiency. Equipped with **2 sliding glass lids**, offering easy access and practical everyday use for mini markets, grocery stores, and retail environments.

The glass lids are made of **tempered anti-fog insulated glass (Low-E / Low Emissivity)** for lower energy consumption and improved temperature retention. They also feature special sealing gaskets to minimize cold air loss
