

CB450C

Vertical Display Cooler 450lt

Professional beverage cooler with an external illuminated canopy and a frameless full-glass door, offering impressive product presentation and maximum visibility. An ideal choice for HoReCa businesses, mini markets, convenience stores, and high-traffic retail locations. Designed for high performance, **low energy consumption (Energy Class B)**, and easy daily operation, it effectively helps increase impulse sales through outstanding product presentation.

- Energy Class B – excellent energy efficiency
- External illuminated canopy for strong commercial visibility
- Frameless glass door for maximum product visibility
- Special insulated double glass (Low-E / Low Emissivity) for lower energy consumption
- 2 vertical LED lights on the right side for impressive internal illumination
- Easy-removable reinforced shelves for practical use and fast restocking
- Self-closing door mechanism
- Very fast cooling performance
- Low noise operation
- Electronic thermostat for precise temperature control
- 2 rear wheels for easy movement
- Energy certification
- Operating Conditions: 25°C / 60% RH
